

Examinations and Multimodal evaluations

Grading is determined by Examinations and Multimodal evaluations during class. In-Class Evaluation is one of these “Multimodal evaluations”.

Depending on the method of evaluation,

1. “(3) Makeup examinations”
2. “Notes for Examination” ※
3. “Notes on Examination in Essay or Report Format”
4. “Notes on examinations when using Learning Management Systems (LMS) such as e-learning”

shall apply to Multimodal evaluations during class.

※The rules will apply except for the following:

- (2) d. “You cannot leave the examination room until 30 minutes into the examination”
