9. Concentration, faculty and department

Check (ONE) appropriate box.

- I would like to enroll at Doshisha University as a first year student.
- I would like to enroll at Doshisha University as a transfer student.

Please check each box acknowledging that you understand the following:

- Your major will be Liberal Arts.
- The choice of concentration is important since this will shape your course of study at the ILA.

Please number all three concentrations according to your preference:	
_____	Japanese Society and Global Culture Concentration
_____	Japanese Business and the Global Economy Concentration
_____	Japanese Politics and Global Studies Concentration

- The final placement will be made by the University. You will be notified of the concentration, faculty, and department to which you are admitted in the letter of acceptance.
Once enrolled, unfortunately Doshisha University policy does not allow the ILA students to change their concentrations, faculties and departments.
- All students at the ILA follow the same curriculum especially designed for the ILA program. However, on paper each student is also registered in one of six faculties. The placement of faculty and department is only for administrative purposes and degree certificate issuance upon graduation. Refer to the chart below.
